10:00			
10:15			
10:30	Coffee Break on the exhibit floor Hall D 10:30am - 11:00am		Coffee Break on the exhibit floor Hall D 10:30am - 11:00am
10:45			
11:00	Session P-1 Room 202A 11:00am - 12:00 pm Future directions for U.S. energy and climate policy.	Session M-1 Room 202B 11:00am - 12:00 pm Scaling Carbon Finance: What Next?	Session EO-1 Room 201 11:00am - 12:00 pm Commercializing Carbon Capture and Storage Technology.
11:15			Session P-5 Room 202A 11:00am - 12:00 pm The US and China: towards low-carbon economies.
11:30			Session M-5 Room 202B 11:00am - 12:00 pm Cracking the code: breaking down barriers to investment in the US low-carbon economy.
11:45			Session EO-5 Room 201 11:00am - 12:00 pm International Forestry and Carbon
12:00	Session Break - Coffee & Beverage Service		
12:15	Session P-2 Room 202A 12:15pm - 1:15pm Breaking Boundaries: perspectives on regional carbon markets.	Session M-2 Room 202B 12:15pm - 1:15pm Carbon Trading: Tools & Techniques for Success.	Session EO-2 Room 201 12:15pm - 1:15pm Low-Carbon Transportation: The Future of Electric Vehicles.
12:30			Lunch on the exhibit floor Hall D 12:00pm - 1:00pm
12:45			
13:00			Session P-6 Room 202A 1:00pm - 2:00pm Creating a Pan-American Carbon Market.
13:15			Session M-6 Room 202A 1:00pm - 2:00pm The Evolving Offset Market: Maximizing Current and Prospective Opportunities.
13:30			Session EO-6 Room 202A 1:00pm - 2:00pm Smart Tech: using information technology to enable the low carbon economy
13:45	Lunch on the exhibit floor Hall D 1:00pm - 2:15pm		
14:00			
14:15	Session Break - Coffee & Beverage Service		
14:30	Session P-3 Room 202A 2:15pm - 3:15pm "C" Change?: Prospects for Climate Legislation in the 111th Congress	Session M-3 Room 202B 2:15pm - 3:15pm The Green Collar Economy: Can climate and energy policies create 5 million jobs?	Session EO-3 Room 201 2:15pm - 3:15pm Farmers, Foresters and the Carbon Market: capitalizing on "growth" opportunities.
14:45			Session P-7 Room 202A 2:15pm - 3:15pm 2013: Architectures for a Global Carbon Market
15:00			Session M-7 Room 202B 2:15pm - 3:15pm Expectations for EU ETS Phase 3: creating long-term carbon strategies for the power sector.
15:15			Session EO-7 Room 201 2:15pm - 3:15pm Payment for Ecosystem Services / Multibenefit Forest Carbon Projects for the power sector.
15:30	Session Break - Coffee & Beverage Service		
15:45	Session P-4 Room 202A 3:30pm - 4:30pm Global Challenge. Local Solutions: cities and climate change.	Session M-4 Room 202B 3:15pm - 4:00pm Competitive Climate Strategy: Harnessing the carbon market for business advantage.	Session EO-4 Room 201 3:15pm - 4:00pm Got Renewables?: The role of solar and wind energy and prospects for a US National Grid.
16:00			
16:15			
16:30	Coffee Break on the exhibit floor Hall D 4:30pm - 5:00pm		Closing Keynote followed by Plenary 4 Room 202 A/B 3:45pm - 5:30pm The Prospects for Copenhagen and Beyond
16:45			
17:00	Plenary 2 Room 202 A/B 5:00pm - 6:30pm Getting the Details Right: elements of an effective, efficient, and sound U.S. carbon market.		
17:15			
17:30			
17:45			
18:00			
18:15			
18:30	Happy Hour on the exhibit floor Hall D 5:30pm - 7:30pm		
18:45
